MASTERPLAN

ELEVATION

Dimensions of dimensions are in meters and values are rounded from feet to meters including construction tolerance. 1. All dimensions, drawings and drawings are approximate only. 2. Dimensions included in drawings reflect values of dimensions, drawings and drawings. 3. Dimensions may vary from finished area. 4. Drawing made for use as a reference for construction purposes only and do not represent the actual use, features, specifications, fittings and furnishings. 5. The developer reserves the right to make alterations, additions, or omissions to the drawings without any liability whatsoever.
